**TRAFFIC ENGINEERING MANAGER**

Genesee County Road Commission (GCRC), Flint, Michigan is seeking a Traffic Engineering Manager who will be responsible for supervising, planning and directing the operations and activities of the Traffic Engineering Department. This individual will direct the installation, operation and maintenance of all traffic control devices, and will be responsible for all aspects of highway safety and transportation planning.

This position requires a Bachelor's Degree from an accredited college or university with a major in Civil Engineering. Must possess a minimum of five (5) years' experience as a Traffic/Transportation Engineer with managerial experience, Licensure as a Professional Engineer (PE) in the State of Michigan and a valid Michigan Driver's License. Professional Traffic Operations Engineer certification is desirable.

Salary range is \$79,541 - \$83,518, with comprehensive benefit package including, but not limited to, Medical/Dental/Vision Insurance, Life Insurance, paid holidays and vacation, pension and deferred compensation. Please email resume to [rmullin@gcrc.org](mailto:rmullin@gcrc.org) or mail to Rachel Mullin, Genesee County Road Commission, 211 W. Oakley Street, Flint, Michigan 48503. Resumes will be accepted through September 30, 2022. EOE
