Argentine Township Re-Gravelling Project to Begin Monday May 24th

Flint, Michigan. ---

The Genesee County Road Commission in conjunction with Argentine Township is pleased to announce the beginning of the Township-wide Gravel Road re-gravelling project.

Starting Monday morning @ 6:00am and continuing each day until dark, crews will be re-gravelling the gravel roads in Argentine Township. Trucks will use Lahring Road as a haul road to get to the east side of the Township, working to the west side. Hoisington Road will be first followed by Smith Road and Rolston Road in the first wave. We will keep everyone updated as work progresses but hope to have 32 miles completed in 12-13 days.

If you have any questions, please call Fred Jackson at (810) 767-4920 ext. 256.

The Genesee County Road Commission reminds motorists that road construction season is in full swing and asks that drivers please “Slow down in work zones... for your family and ours.”

Motorists can report road issues to GCRC by calling (810) 767-4920, sending an email to potholes@gcrc.org or clicking on the “Pothole Report” icon on its website, www.gcrc.org.
