Grove Park Road at Torrey Road re-opened

Flint, Michigan. ---

The Genesee County Road Commission announced today that Grove Park Road in Fenton Township, which had been closed to thru traffic at Torrey Road since last week because of a culvert failure, has been re-opened to all traffic.

Motorists are reminded that “orange barrel season” is getting underway and are urged to slow down and be patient so that everyone, road workers and motorists alike, get home safely to their families.

Motorists can report road issues to GCRC by calling (810) 767-4920, sending an email to potholes@gcrc.org or clicking on the “Pothole Report” icon on its website, www.gcrc.org.
