I-475 to I-69 interchange ramps to be closed tonight

Flint, Michigan. ---

The Genesee County Road Commission announced today that they will need to close ramps at the I-69/ I-475 interchange tonight to make repairs to the bridge decks. Specifically, the ramps from eastbound I-69 to northbound I-475 and from westbound I-69 to southbound I-475 will be closed tonight (June 3, 2010) from 7PM until 6AM tomorrow (June 4, 2010).

Assistant Maintenance Director Fred Jackson said that in an effort to minimize disruption of travel the Road Commission will attempt to make all repairs tonight, but indicated that the extent of the needed repairs might dictate doing the second ramp another night. “We know this is a real inconvenience but we have to make these repairs, and we have to close the ramps to do it. We really won’t know the extent of the repairs needed until we get into it.”

For more information please call Fred Jackson at 810-691-2162.
