Lake Road in Thetford Township closed today for cross culvert replacement

Flint, Michigan. ---

The Genesee County Road Commission has announced that E. Lake Road between Lewis Road and Bray Road in Thetford Township will be closed from 8:00am – 4:00pm today, Thursday July 14, 2011, for a cross tube replacement. This section had been scheduled to be closed for repairs yesterday but issues at another location prevented that.

The work should be done and the road fully reopened by 4:00pm today. Motorists are urged to exercise caution in these and all work zones.

As construction season kicks into high gear motorists are reminded that **the majority of serious and fatal injuries in road work zones happen in the summer in clear weather.** So please slow down and be extra vigilant in and near all road work zones.

While GCRC monitors its roads closely, it welcomes calls from the public regarding dangerous conditions such as large potholes or flooding. Motorists can report road issues to GCRC by calling (810) 767-4920, sending an email to potholes@gcrc.org or clicking on the “Pothole Report” icon on its website, www.gcrc.org.
