MDOT Update: Coldwater over I-75 to open, Carpenter over I-75 to close

Flint, Michigan. ---

The Michigan Department of Transportation has announced that the contractor plans on finishing work on Coldwater Road today September 12, 2011 and opening it up sometime today. Once Coldwater Road is open they will close Carpenter Road Bridge and apply the epoxy flood coat. This work will take approximately 4 days. All work is weather dependent.

The detour route for Carpenter Road: Eastbound Carpenter Road traffic shall be detoured onto northbound Linden Road to eastbound Coldwater to southbound Jennings Road. Westbound Carpenter Road traffic shall be detoured onto northbound Jennings Road to westbound Coldwater Road to southbound Linden Road.

Contact Dewane Petzold, MDOT Davison TCS at 989-233-4184 if you have questions.
