## **MDOT Update – Northbound I-475 ramp to westbound I-69 to be closed**

### **tonight**

Flint, Michigan. ---

**The Michigan Department of Transportation** has announced that MDOT's bridge crew will perform maintenance repairs on the northbound I-475 ramp bridge to westbound I-69 Thursday night December 8th. The operation will start at 7:30 p.m. by closing the northbound I-475 ramp to westbound I-69. Ramp traffic will be detoured to eastbound I-69, to Dort Highway, to westbound I-69.

At approximately 8:00 p.m., the outside lane of Westbound I-69 will be closed along with the exit ramp to Saginaw Street.

At approximately 10:00 p.m., the middle lane will be closed (using a double lane closure). One lane of westbound I-69 traffic will be maintained at this time.

Work and closures will continue throughout the night until Friday morning, December 9th at approximately 6:00 a.m. At that time, all lanes will be opened back up to traffic.

Work will resume at this location Friday night, under either westbound I-69 or eastbound I-69.

More details on this work will be available Friday morning,

For more information, contact Steve Katenhus, Michigan Department of Transportation at 989-754-7443.
