Miller Road, Arlene Drive and Beecher Road

Flint, Michigan. ---

In an effort to keep motorists better informed, **the Genesee County Road Commission** is pleased to forward the following information from **the Michigan Department of Transportation** regarding work on the overpasses in Genesee County.

Miller Road we have one lane in each direction across the bridge. Both lanes are 11' wide.

Arlene Drive will be closing this on Tuesday (4/26) and all traffic detoured.

Eastbound Arlene Drive traffic will be rerouted onto northbound S. Graham Road, where motorists will head eastbound to Corunna Road (M-21), then travel southbound on Utley Road to return to Arlene Drive.

Westbound Arlene Drive traffic will be rerouted to northbound Utley Road, where motorists will head westbound on Corunna Road (M-21), then travel southbound on S. Graham Road to return to Arlene Drive.

Beecher Road, Bridge work will be starting on Thursday (4/28) and one lane of traffic will be maintain across the bridge with temporary signals. Will have one 12' wide lane.

New updates will be forwarded as the project progresses.

For more information about this and other MDOT overpass projects, contact Phillip Sekela, Michigan Department of Transportation-Davison TSC at (810) 653-7470.

Please slow down in work zones - for your family and ours
