MDOT to close Mt. Morris Road over I-75 for 3 weeks for bridge repair

Flint, Michigan. ---

The Michigan Department of Transportation reports that they will be closing Mt. Morris Road over I-75 tomorrow, Tuesday July 19th. They expect the closure to be for about 3 weeks. They have message boards informing motorists of the upcoming closure.

The detour route is:

Eastbound Mt Morris Road traffic shall be detoured onto southbound Linden Road to eastbound Coldwater Road to northbound Clio Road, and westbound Mt Morris Road traffic will be detoured to southbound Clio Road to westbound Coldwater Road to northbound Linden Road.

As construction season kicks into high gear motorists are reminded that **the majority of serious and fatal injuries in road work zones are to drivers and their passengers**. So please slow down and be extra vigilant in and near all road work zones.

While GCRC monitors its roads closely, it welcomes calls from the public regarding dangerous conditions such as large potholes or flooding. Motorists can report road issues to GCRC by calling (810) 767-4920, sending an email to potholes@gcrc.org or clicking on the "Pothole Report" icon on its website, www.gcrc.org.
