McCandlish Road between Irish Road and Vassar Road to be resurfaced

Flint, Michigan. ---

The Genesee County Road Commission announces that a project to resurface McCandlish Road between Irish Road and Vassar Road in Atlas Township will begin on Thursday, October 13, 2011. Milling and removal of the existing surface will begin at approximately 7:30 a.m. Thursday and should be completed by mid afternoon. The road will not be closed for this operation but it will cause some slowdowns and congestion in the area and motorists are advised to seek alternate routes if possible.

Paving should take place on Monday October 17th, and Tuesday October 18th, 2011, weather permitting. Again, the road will not be closed for this operation but it will cause some slowdowns and congestion in the area and motorists are advised to seek alternate routes if possible.

Please contact Ron Latimer, Paving Foreman at (810) 767-4920 if you have questions.
