Flint, Michigan. ---

The Genesee County Road Commission and the Genesee County Drain Commissioner announced today that McKinley Road, from Farrand Road to Kee-Wah-Din Road in Montrose Township will be closed to traffic starting the morning of Monday, October 25th. The road will be closed for approximately 8 days while the Drain Commissioner's office of Water and Waste Services removes and replaces storm sewers and the Road Commission repairs the road surface.

There are still a lot of work zones out there. Motorists are asked to slow down and proceed with caution – for their family and ours.
