## Micro Surfacing Project in Four Townships to begin Monday

Flint, Michigan. ---

The Genesee County Road Commission is pleased to announce that the 2010 Micro Surfacing project will begin **Monday, August 30, 2010**. The Contractor will begin on **Holly Road between Baldwin Road and I-75** in Grand Blanc Township. Other locations to be Micro Surfaced will be **Elms Road from Flushing Road to Pierson Road** in Mt. Morris Township; **Lennon Road from Linden Road to Miller Road** in Flint Township; and **Hill Road from Torrey Road to I-75 in Mundy Township**. The anticipated completion date is Friday, October 1, 2010. Please be advised of moving lane closures on all of the afore-mentioned roads throughout the completion date. Motorists are advised to proceed with caution.

For more information please contact Construction Project Engineer, Alex Patsy, at 810-767-4920 ext. 252.

Motorists are asked to slow down and proceed with caution in this and all work zones.
