Northbound Fenton Road at Hill Road temporarily reduced to one lane

Flint, Michigan. ---

The Genesee County Road Commission, announces that beginning this afternoon northbound Fenton Road at its intersection with Hill Road will be reduced to one lane as part of the ongoing reconstruction of Fenton Road in that area. Since this one lane will have to accommodate both left and right turns onto Hill Road, as well as through traffic, northbound drivers on Fenton Road can expect significant delays. The restriction is expected to last about a week, until Saturday, November 5th. An alternate route is strongly suggested.

Please contact Construction Manager John Plamondon at 810.767.4920 if you have questions.
