FOR IMMEDIATE RELEASE June 3, 2011

## **Press Release from MDOT in Davison**

Flint, Michigan. ---

Starting Tuesday, June 7th, the Contractor will be closing one lane of traffic on I-69 in EB and WB directions. This closure will be on I-69 from I-475 to just west of Grand Traverse St. This includes a portable changeable message board on EB I-69 and WB I-69 to notify traffic of the upcoming and ongoing road work (2 message boards total on I-69).

Actual construction on I-69 will begin Monday, June 13th. Single lane closures during the day, double lane closures at night from 8PM to 5AM. Sunday work is not prohibited.

Once work is completed on I-69, work will begin on the (4) bridges:

Grand Traverse Street over I-69  
Church Street over I-69  
Beach Street over I-69  
Saginaw Street over I-69

All work shall be completed on Beach Street before work will be allowed to begin on Saginaw Street.

Detours will be necessary to complete the bridge work. I will notify you prior to the detours.

The completion date for this project is September 17, 2011.

Thanks,

Phillip Sekela
