Ramp from westbound I-69 to southbound I-75/US-23 closed Wednesday night

Flint, Michigan. ---

The Genesee County Road Commission and the Michigan Department of Transportation (MDOT) announced today that the ramp from westbound I-69 to southbound I-75/US-23 will be closed beginning 7:30 PM on Wednesday September 15th until 6:00AM on Thursday, September 16, 2010 for application and testing of a high friction, anti-skid surface treatment. The ramp was selected as a test/demonstration site because of its curved and sloping geometrics, its surface condition and its traffic volumes.

Please contact Assistant Maintenance Director Fred Jackson at (810) 767-4920, ext. 256 if you have questions.
