

SB I-75 ramp improvements necessitate temporary closure of ramps

In order to create 2 lanes on the ramp to southbound I-75 from Miller Road and improve the ramp from southbound I-75 onto Miller Road it will be necessary to **temporarily close these ramps on Friday May 23rd from 6:00 AM to 10:00 AM.**

We suggest that motorists on southbound I-75 take the Corunna Rd. exit to Dutcher Road or Linden Road to access Miller Road. Miller Road traffic desiring to travel south on I-75 can take northbound I-75 to Corunna Road and get onto southbound I-75 from this entrance.

This is necessary in order to speed progress and ensure the best quality construction on this phase of the project.
