Silver Lake Road rehabilitation to begin September 13th

Flint, Michigan. ---

The Genesee County Road Commission in conjunction with MDOT is pleased announce the rehabilitation of Silver Lake Road from McCaslin Lake Road to Lobdell Road.

This project will be broken into two phases. Phase one begins at the northerly stretch of Seymour Road east to Lobdell Road. Phase one starts September 13, 2010 until November 13, 2010.

Phase two begins at McCaslin Lake Road easterly to the northerly stretch of Seymour Road. Phase two starts April 15, 2011 until July 29, 2011.

Both phases will be constructed under a flagging operation & one lane of traffic will be maintained. This roadway is highly traveled and some delay should be expected. Through traffic is advised to find an alternate route.

Some work in phase two may be completed during phase one (i.e. tree removals, joint repairs & drainage).

Please contact Construction & Permits Manager John T. Plamondon, P.E. at 810.767.4920 ext 232 if you have questions.
