Solarwood Subdivision resurfacing to begin Wednesday September 15th

Flint, Michigan. ---

The **Genesee County Road Commission** announced today that resurfacing of the roads in the Solarwood Subdivision in Davison Township will begin at 7AM on Wednesday, September 15, 2010. Work should be completed on or before October 8th.

Assistant Maintenance Director Fred Jackson indicated that while his crews will do everything they can to accommodate local traffic, residents should expect some delays. "We know that resurfacing subdivision roads creates some inconvenience for residents of the subdivision. We will do our best to minimize the disruption, and we certainly appreciate the patience of these homeowners."

For more information please contact Assistant Maintenance Director Fred Jackson at 810-767-4920 ext. 256.
