## *Southbound M-15 north of Stanley Road closed Wednesday for culvert extension*

Flint, Michigan. ---

The Genesee County Road Commission has announced that the southbound lane of the 7000 block of M-15, at Worth Road, just north of Stanley Road, in Richfield Township will be closed Wednesday June 29, 2011 for installation of a culvert extension. Work is scheduled to begin shortly after 8am and will continue until approximately 1 or 2pm.

This work will require a temporary lane closure of the southbound lane with traffic being controlled by one or two flagmen as needed. Contact Otisville District Foreman Tom Sanders at 810-767-4920 if you have questions.

As construction season kicks into high gear motorists are reminded that **the majority of fatal road work zone crashes happen in the summer**. So please slow down and be extra vigilant in and near all road work zones.

While GCRC monitors its roads closely, it welcomes calls from the public regarding dangerous conditions such as large potholes or flooding. Motorists can report road issues to GCRC by calling (810) 767-4920, sending an email to [potholes@gcrc.org](mailto:potholes@gcrc.org) or clicking on the "Pothole Report" icon on its website, [www.gcrc.org](http://www.gcrc.org).
