Three lane traffic shift and multiple lane closures on NB I-75 on Thursday

Flint, Michigan. ---

The Michigan Department of Transportation has announced that on Thursday Nov. 11, 2010 a three (3) lane shift will take place on NB I-75.

In order to continue bridge work on the high bridge (NB I-475 to SB I-75), MDOT will be placing a 3 lane shift on NB I-75. The shift will start approximately 2 miles north of Pierson Road to just south of Mt. Morris Road.

For this shift to occur, for short durations, multiple lane closures will be in place starting at 2:30 p.m. The multiple lane closures should be removed within a few hours and NB I-75 re-opened to three lanes.

If you have any questions, feel free to contact Armando V. Lopez Jr., MDOT Delivery Engineer, at 810-653-7470.
