One Lane on Duffield Road closed due to culvert failure

Flint, Michigan. ---

The Genesee County Road Commission announces that one lane on Duffield Road over Terry Drain in Gaines Township is closed due to culvert abutment wall failure. This location is approximately one quarter mile north of Reid Road. The lane will be closed at that point until further notice.

Please contact Fred Peivandi, County Highway Engineer, at (810) 767-4920 if you have questions.
