## **Road Commission releases 2011 Performance Dashboard**

Flint, Michigan. ---

In the interest of increasing transparency and accountability in government **the Genesee County Road Commission** is pleased to present its “2011 Performance Dashboard”. The Dashboard, which is intended to provide an “at-a-glance” look at Road Commission performance in many of its functional and operational areas, is attached for your convenience. It is also posted on the Road Commission website ([www.gcrc.org](http://www.gcrc.org)).

If you have any questions about the dashboard please contact Robert Slattery, Director of Information Systems and Planning at 810-767-4920, extension 310.
