

Roadways

Genesee County Road Commission

211 W. Oakley St., Flint, MI 48503

www.gcrc.org 810-767-4920

Our mission, as Genesee County Road Commission employees, is to collectively provide and maintain a safe, cost-efficient and quality road system for the motorists of Genesee County.

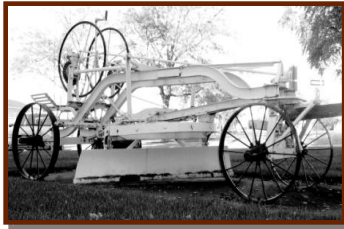

Issue 13

Serving Genesee County motorists for over 100 years

July 25, 2011

Back to the Bricks - Classics meet 21st century technology!

The Genesee County Road Commission invites you to join us August 16 – 20 at one of Michigan's biggest cruise events! Check out our multifaceted, interactive exhibit featuring truly classic turn of the century equipment as well as "21st century cutting edge, joystick-controlled, laser-guided, GPS-navigated 'WOW' machines!"

Horse-drawn road grader

Back to the Bricks 2010

Climb aboard a Superduty snow plow!

Check out a MaxxForce Powerplant!

A family-fun attraction celebrating the progress your Road Commission has made from horse-drawn beginnings to high-tech, high skilled partners in the community, serving Genesee County motorists for over 100 years!

Road Commission participation in this event is made possible by the generous sponsorship of Michigan CAT and Chase Bank.

More family fun!

- Temporary tattoos!
- Collectible die-cast pins!
- Photo opportunities!
- Caps and T-shirts!

Classic cars are cool! They speak to our rich automotive heritage and what made us great. And they're fun! But here in Michigan, in the winter months, these cars - and all of us - have always depended on the road commissions to move the snow so we could move. And just like their automotive counterparts, the machinery that the Genesee County Road Commission uses to accomplish this has become sophisticated, electronic and computerized high tech.
