## ***Public Meeting/Open House/Input Session – Flushing Road Rehabilitation and 4-to-3 lane reconfiguration.***

Flint, Michigan. ---

The Genesee County Road Commission has announced that a public meeting, open-house and input session for the rehabilitation of Flushing Road from Eldorado Drive to Ballenger Highway will be held on **Wednesday, October 13, 2021 from 6:30 pm to 8:30 pm at the Flint Township Police Department meeting room**, located at 5200 Norko Drive, Flint, Michigan 48507. The purpose of the meeting is to share information and get public input regarding the proposed rehabilitation and lane reconfiguration of Flushing Road, from its current 4-lane to a new 3-lane roadway. This reconfigured lane set-up will be two travel lanes in each direction and a shared center-turn lane. The agenda will be an informal "Open House" with proposed maps, plans, costs and study reports available for public review. Comments from the public will be recorded. The public is welcome and encouraged to attend.

The project is presently being designed. Actual construction is anticipated to be in the Summer of 2022. Traffic control will be maintained via partial detour and direction restrictions.

Rehabilitation of this heavily traveled corridor is expected to cost over \$900,000. It is being funded primarily with Federal Surface Transportation Programming funds administered through the Michigan Department of Transportation, the Federal Highway Administration and the Genesee County Road Commission. This open house and input session complies with the intent of the Michigan Operations Manual D-121 for projects proposing to convert 4-to-3 lane roadways using Federal Aid transportation funds through the Michigan Department of Transportation and the Federal Highway Administration.
