The Beecher Road Railroad Reconstruction Project in Clayton Township is now complete and open to traffic.

Flint, Michigan -

The Genesee County Road Commission announces that the Beecher Road Railroad Reconstruction project, located at the crossing of the Huron and Eastern Railroad in Clayton Township, is now complete and open to traffic effective Thursday afternoon, November 21, 2019. All motorists and emergency vehicles are now allowed to proceed through the railroad crossing. Thank you for your patience.

Please contact Alexander Patsy, P.E., Programming & Development Engineer at (810) 767-4920 ext. 252 if you have any questions.
