Sec. 3. (1) The township board may proceed to carry out an improvement as provided in this act unless written objections to the improvement are filed with the township board at or before the hearing provided in section 4 by property owners as follows:

(a) For an improvement under section 2(1)(a), (b), (d), (e), (f), (h), (i), (j), (l), (n), or (o) by the record owners of land constituting more than 20% of the total land area in the proposed special assessment district.

(b) For an improvement under section 2(1)(c), (g), (k), or (m), by the record owners of land constituting more than 20% of the total frontage upon the road, bicycle path, or sidewalk.

(2) A township board may require the filing of a petition meeting the requirements of subsection (3) before proceeding with an improvement under this act.

(3) If written objections are filed as provided in subsection (1), or if the township board requires a petition before proceeding, the township board shall not proceed with the improvement until there is filed with the board a petition signed as follows:

(a) For an improvement under section 2(1)(a), (b), (d), (e), (f), (h), (i), (j), (l), (n), or (o) by the record owners of land constituting more than 50% of the total land area in the special assessment district as finally established by the township board.

(b) For an improvement under section 2(1)(c), (g), (k), or (m), by the record owners of land constituting more than 50% of the total frontage upon the road, bicycle path, or sidewalk.

(4) Record owners shall be determined by the records in the register of deeds' office as of the day of the filing of a petition, or if written objections are filed as provided in subsection (1), then on the day of the hearing. In determining the sufficiency of the petition, lands not subject to special assessment and lands within a public highway or alley shall not be included in computing frontage or an assessment district area. A filed petition may be supplemented as to signatures by the filing of an additional signed copy or copies of the petition. The validity of the signatures on a supplemental petition shall be determined by the records as of the day of filing the supplemental petition.

41.724 Plans; cost estimate; resolution; designation of special assessment district; hearing; notice; periodic redeterminations of cost; objections; adding property to special assessment district; supplemental petition; filing by railroad companies; additional notice; affidavit of service.

Sec. 4. (1) Upon receipt of a petition or upon determination of the township board if a petition is not required under section 3, the township board, if it desires to proceed on the improvement, shall cause to be prepared plans describing the improvement and the location of the improvement with an estimate of the cost of the improvement on a fixed or periodic basis, as appropriate. Upon receipt of the plans and estimate, the township board shall order the same to be filed with the township clerk. If the township board desires to proceed with the improvement, the township board shall tentatively declare by resolution its intention to make the improvement and tentatively designate the special assessment district against which the cost of the

improvement or a designated part of the improvement is to be assessed.

(2) The township board shall fix a time and place to meet and hear any objections to the petition, if a petition is required, to the improvement, and to the special assessment district, and shall cause notice of the hearing to be given as provided in section 4a. The notice shall state that the plans and estimates are on file with the township clerk for public examination and shall contain a description of the proposed special assessment district. If periodic redeterminations of cost will be necessary without a change in the special assessment district, the notice shall state that such redeterminations may be made without further notice to record owners or parties in interest in the property.

(3) At the hearing, or any adjournment of the hearing which may be without further notice, the township board shall hear any objections to the petition, if a petition is required, to the improvement, and to the special assessment district. The township board may revise, correct, amend, or change the plans, estimate of cost, or special assessment district.

(4) Property shall not be added to the district unless notice is given as provided in section 4a, or by personal service upon the record owners of the property in the entire proposed special assessment district, and a hearing afforded to the record owners. If a petition is required because property is added to the special assessment district which makes the original petition insufficient, then a supplemental petition shall be filed containing sufficient additional signatures of record owners. If the nature of the improvement to be made is such that a periodic redetermination of costs will be necessary without a change in the special assessment district boundaries, the township board shall include in its estimate of costs any projected incremental increases. If at any time during the term of the special assessment district an actual incremental cost increase exceeds the estimate therefor by 10% or more, notice shall be given as provided in section 4a and a hearing afforded to the record owners of property to be assessed.

(5) Railroad companies shall file in writing with the secretary of state the name and post office address of the person upon whom may be served notice of any proceedings under this act. After the name and address has been filed, notice in addition to the notice by publication shall be given to the person by registered mail, or personally, within 5 days after the first publication of the notice. An affidavit of the service shall be filed by the township board with the proof of publication of the notice.

History: 1954, Act 188, Imd. Eff. May 5, 1954;—Am. 1974, Act 143, Imd. Eff. June 5, 1974;—Am. 1986, Act 180, Imd. Eff. July 8, 1986.

41.724a Notice of hearings in special assessment proceedings.

Sec. 4a. (1) If special assessments are made against property, notice of hearings in the special assessment proceedings shall be given as provided in this section.

(2) Notice of hearings in special assessment proceedings shall be given to each record owner of, or party in interest in, property to be assessed whose name appears upon the last township tax assessment records by first-class mail addressed to the record owner or party in interest at the address shown on the tax records, at least 10 days before the date of the hearing. The last township tax assessment records means the last assessment roll for ad valorem tax purposes that was reviewed by the township board of review, as supplemented by any subsequent changes in the names or the addresses of the owners or parties listed on that roll. If a record owner's name does not appear on the township tax assessment records, then notice shall be given by first-class mail addressed to the record owner at the address shown by the records of the county register of deeds at least 10 days before the date of the hearing. Notice shall also be published twice before the hearing in a newspaper circulating in the township. The first publication shall be at least 10 days before the date of the hearing. If a published notice includes a list of the property identification numbers of the property to be assessed, that list may provide either the individual property identification number for each parcel of property to be assessed or 1 or more sequential sets of property identification numbers, which include each parcel of property to be assessed. If a published notice includes a list of the property identification numbers of the property to be assessed, that published notice shall also include either a map depicting the area of the proposed special assessment district or a written description of the proposed special assessment district.

(3) If a person whose name and correct address do not appear upon the last township tax assessment records claims an interest in real property, that person shall immediately file his or her name and address with the township supervisor. This filing is effective only for the purpose of establishing a record of the names and addresses of those persons entitled to notice of hearings in special assessment proceedings. The supervisor shall immediately enter on the tax assessment records any changes in the names and addresses of record owners or parties in interest filed with the supervisor and at all times shall keep the tax assessment records current, complete, and available for public inspection.

(4) A township officer required to give notice of a hearing in special assessment proceedings may rely upon the last township tax assessment records in giving notice of the hearing by mail. The method of giving

notice by mail as provided in this section is declared to be the method that is reasonably certain to inform those to be assessed of the special assessment proceedings.

(5) Failure to give notice as required in this section shall not invalidate an entire assessment roll, but only the assessment on property affected by the lack of notice. A special assessment shall not be declared invalid as to any property if the owner or the party in interest of that property actually received notice, waived notice, or paid any part of the assessment. If an assessment is declared void by court decree or judgment, a reassessment against the property may be made.

(6) A special assessment hearing held before June 5, 1974 is validated, insofar as any notice of hearing is concerned, if notice was given by mail to the owners or parties in interest whose names appeared at the time of mailing on the last township tax assessment records. Any such special assessment hearing is validated as to any owner or party in interest who actually received notice of hearing, waived the notice, or paid any part of the special assessment.

41.725 Approval or determination by township board; levy of special assessment.

Sec. 5. (1) If, after the hearing provided for in section 4, the township board desires to proceed with the improvement, the township board shall approve or determine by resolution all of the following:

- (a) The completion of the improvement.
- (b) The plans and estimate of cost as originally presented or as revised, corrected, amended, or changed.
- (c) The sufficiency of the petition for the improvement if a petition is required. After this determination, the sufficiency of the petition is not subject to attack except in an action brought in a court of competent jurisdiction within 30 days after the adoption of the resolution determining the sufficiency of the petition.
- (d) The special assessment district including the term of the special assessment district's existence. If the nature of the improvement to be made is such that a periodic redetermination of cost will be necessary without a change in the special assessment district boundaries, the township board shall state that in the resolution and shall set the dates when the redeterminations shall be made. After finally determining the special assessment district, the township board shall direct the supervisor to make a special assessment roll in which are entered and described all the parcels of land to be assessed, with the names of the respective record owners of each parcel, if known, and the total amount to be assessed against each parcel of land, which amount shall be the relative portion of the whole sum to be levied against all parcels of land in the special assessment district as the benefit to the parcel of land bears to the total benefit to all parcels of land in the special assessment district. When the supervisor completes the assessment roll, the supervisor shall affix to the roll his or her certificate stating that the roll was made pursuant to a resolution of the township board adopted on a specified date, and that in making the assessment roll the supervisor, according to his or her best judgment, has conformed in all respects to the directions contained in the resolution and the statutes of this state.

(2) After December 31, 1998, an ad valorem special assessment levied under this act shall be levied on the taxable value of the property assessed.

(3) If the levy of an ad valorem special assessment on the property's taxable value is found to be invalid by a court of competent jurisdiction, the levy of the ad valorem special assessment shall be levied on the property's state equalized value.

(4) As used in this section and section 15b, "taxable value" means that value determined under section 27a of the general property tax act, 1893 PA 206, MCL 211.27a.

41.726 Filing and review of special assessment roll; hearing; notice; adjournments; objections; confirmation, referral, or annuiment; endorsement; finality; action contesting assessment.

Sec. 6. (1) When a special assessment roll is reported by the supervisor to the township board, the assessment roll shall be filed in the office of the township clerk. Before confirming the assessment roll, the township board shall appoint a time and place when it will meet, review, and hear any objections to the assessment roll. The township board shall give notice of the hearing and the filing of the assessment roll as required by section 4a.

(2) A hearing under this section may be adjourned from time to time without further notice. A person objecting to the assessment roll shall file the objection in writing with the township clerk before the close of the hearing or within such further time as the township board may grant. After the hearing the township

board, at the same or at a subsequent meeting, may confirm the special assessment roll as reported to the township board by the supervisor or as amended or corrected by the township board; may refer the assessment roll back to the supervisor for revision; or may annul it and direct a new roll to be made.

(3) If a special assessment roll is confirmed, the township clerk shall endorse on the assessment roll the date of the confirmation. After the confirmation of the special assessment roll, all assessments on that assessment roll shall be final and conclusive unless an action contesting an assessment is filed in a court of competent jurisdiction within 30 days after the date of confirmation.

41.727 Payment of special assessments in installments; amount of installment; extension; due dates; interest on unpaid installments; payment of future due installments; delinquent installment; penalty.

Sec. 7. (1) The township board may provide that special assessments are payable in 1 or more installments, but the amount of an installment shall not be less than 1/2 of any subsequent installment. The amount of each installment, if more than 1, need not be extended upon the special assessment roll until after confirmation of that assessment roll. Subject to the provisions of section 4(4), the amount of installments for improvements subject to periodic cost revision may be extended upon the special assessment roll by the township board without additional public hearings or public notice, provided that additional property is not added to the special assessment roll.

(2) The first installment of a special assessment shall be due on or before the time after confirmation as the township board shall fix. Subsequent installments shall be due at intervals of 12 months from the due date of the first installment or from a date the township board shall fix.

(3) All unpaid installments, prior to their transfer to the township tax roll as provided by this act, shall bear interest, payable annually on each installment due date, at a rate to be set by the township board, not exceeding 1% above the average rate of interest borne by special assessment bonds issued by the township in anticipation of all or part of the unpaid installments; or not exceeding 1% above the average rate of interest borne by bonds issued by a county, drainage district, or authority if the unpaid installments are to be applied to the payment of a contract obligation of the township to the county or authority or to the payment of an assessment obligation of the township to the drainage district; or, if bonds are not issued by the township, a county, a drainage district, or an authority, not exceeding 8% per annum, commencing in each case from a date fixed by the township board. Future due installments of an assessment against any parcel of land may be paid to the township treasurer at any time in full, with interest accrued through the month in which the final installment is paid.

(4) If an installment of a special assessment is not paid when due, then the installment shall be considered to be delinquent and there shall be collected, in addition to interest as provided by this section, a penalty at the rate of not more than 1% for each month, or fraction of a month, that the installment remains unpaid before being reported to the township board for reassessment upon the township tax roll.

41.728 Special assessments to constitute lien; character and effect.

Sec. 8. All special assessments contained in any special assessment roll, including any part thereof deferred as to payment, shall from the date of confirmation of such roll, constitute a lien upon the respective parcels of land assessed. Such lien shall be of the same character and effect as the lien created for township taxes and shall include accrued interest and penalties. No judgment or decree or any act of the township board vacating a special assessment shall destroy or impair the lien of the township upon the premises assessed for such amount of the assessment as may be equitably charged against the same, or as by a regular mode of proceeding might be lawfully assessed thereon.

The township clerk shall thereupon deliver to the township treasurer such special assessment roll, to which he shall attach his warrant commanding the township treasurer to collect the assessments therein in accordance with the directions of the township board in respect thereto. Said warrant shall further require the township treasurer on the 1st day of September following the date when any

such assessments or any part thereof have become due to submit to the township board a sworn statement setting forth the names of the persons delinquent, if known, a description of the parcels of land upon which there are delinquent assessments and the amount of such delinquency, including accrued interest and penalties computed to September 1 of such year. Upon receiving such special assessment roll and warrant the treasurer shall proceed to collect the several amounts assessed therein as the same shall become due.

(1) An owner of property who by reason of hardship is unable to contribute to the cost of an assessment for an improvement authorized in section 2(1)(a), (b), (c), (g), (h), or (n) may have the assessment deferred by application to the assessing officer. Upon receipt of evidence of hardship, the township may defer partial or total payment of the assessment.

As a condition of granting the deferred or partial payment of an assessment, the township board shall require that any deferred assessment constitute a recorded lien against the property.

41.732 Special assessment roll; insufficiency, additional pro rata assessments; surplus, refunds.

Sec. 12. Should the assessments in any special assessment roll prove insufficient for any reason, including the noncollection thereof, to pay for the improvement for which they were made or to pay the principal and interest on the bonds issued in anticipation of the collection thereof, then the township board shall make additional pro rata assessments to supply the deficiency, but the total amount assessed against any parcel of land shall not exceed the value of the benefits received from the improvement. Should the total amount collected on assessments prove larger than necessary by more than 5% of the original roll, then the surplus shall be prorated among the properties assessed in accordance with the amount assessed against each and applied toward the payment of the next township tax levied against such properties, respectively, or if there be no such tax then it shall be refunded to the persons who are the respective record owners of the properties on the date of the passage of the resolution ordering such refund. Any such surplus of 5% or less may be paid into the township contingent funds disposed of as above provided.

assessment was made. All proceedings on such reassessment and for the collection thereof shall be conducted in the same manner as provided for the original assessment, and whenever an assessment or any part thereof levied upon any premises has been so set aside, if the same has been paid and not refunded, the payment so made shall be applied upon the reassessment.
