Power pole relocation for Hill Road Construction Project will continue to detour traffic

Flint, Michigan. ---

Consumers Energy has contracted with C.C. Power Electrical Contractors to relocate power poles in the right-of-way on Hill Road between Saginaw Road and Center Road in Grand Blanc Township starting Monday, March 23, 2020 through approximately Friday, March 27, 2020. The road will be fully closed to all thru traffic between the hours of 9:00am and 4:00pm throughout the duration of the pole relocation operations. Motorists will need to seek an alternate route.

Please contact C.C. Power Electrical Contractors at (231) 258-5909 if you have questions.

Please slow down in work zones, for your family and ours.
