Seymour Rd. high-friction surface project begins

Montrose Twp., Michigan. ---

The Genesee County Road Commission will be reconstructing the roadway and placing high-friction surface treatment on Seymour Rd. at the curve approximately 1500' north of Farrand Rd. beginning on Tuesday, September 6. The expected completion date is October 15. The road will be closed to thru traffic. The posted detour route utilizes Seymour Road, Farrand Road, Nichols Road, and Lake Road. Motorists should allow additional time to reach their destination. If you have questions, please contact Todd Bigler, Construction Project Engineer, at 810-767-4920 ext. 241.
