Micro-Surfacing Operations continue in Vienna Township

Flint, Michigan. ---

The **Genesee County Road Commission** will begin preparations for micro-surfacing operations on **Weir Road** between Willard Road and Lake Road and also on **Lake Road** between Weir Road and N. Saginaw Road in Vienna Township on Thursday, September 6, 2018 at 8:00 a.m. Asphalt stop patching will continue until 6:00 p.m. on Friday, September 7th. Traffic will be maintained for residential, school bus and emergency vehicles only. All other traffic will need to use the suggested alternate route of Linden, Farrand and Clio Roads. Thank you for your patience.

Please contact John Plamondon, P.E., Construction Department Manager, at (810) 767-4920 if you have questions.

--- ### ---

Please slow down in work zones, for your family and ours.
