Flint Twp. resurfacing projects begin

Flint Twp., Michigan. ---

The Genesee County Road Commission will begin construction on Ramsgate Rd. between Calkins Rd. and the end of the public roadway and on Shady Hill Ct. between Dyemeadow Ln. and the cul-se-sac on Monday, October 9. Weather permitting, work is expected to be completed by the end of October. Thru traffic should find an alternate route during construction. Motorists should allow additional time to reach their destination. Please contact Mike Pifer, Consulting Engineer at Kraft Engineering, at 810-234-2694 if you have questions.

--- ### ---

Please slow down in work zones, for your family and ours.
