OVERSIZE LOADS TRAVELING THROUGH COUNTY

Fenton Area, Michigan

A transportation company will be transporting oversize loads through Genesee County in the area of Thompson Road in the Fenton area, starting Tuesday, September 17, Wednesday, September 18, and Friday, September 20. They have three (3) loads a day scheduled to leave out of Miller Industries on Thompson Road. They are traveling between 9:00 am. and 12:00 pm (noon) in the county each day. They will also have loads moving Monday, September 23, and Tuesday, September 24. Their route will be Linden Rd, Baldwin Rd, Seymour Rd, Grand Blanc Rd, Duffield Rd, and Miller Rd and exiting the county on Sheridan Rd/M13. They will be moving slowly, and at some turns utilizing the whole intersection. Motorists should add additional time to reach their destinations if they travel these routes and if possible, seek alternative routes during this time. Please contact the GCRC at 810-767-4920 if you have questions.

Please slow down in work zones, for your family and ours.
