Sewer installation continues on Vassar Rd.

Atlas Twp., Michigan. ---

The Genesee County Drain Commission will continue its sewer installation project on Vassar Rd. between Burpee Rd. and Perry Rd. starting Tuesday, February 4. There will be flaggers controlling traffic. It is expected to last for three weeks. Motorists are advised to allow additional time to reach their destination. If you have questions, please contact the Genesee County Drain Commission Division of Water & Waste Services at 810-732-7870.
