The Michigan Department of Transportation (MDOT) will close and detour both northbound and southbound I-75 ramps to eastbound I-69 in the I-69 work zone. This traffic shift will move a second lane of eastbound I-69 traffic onto newly constructed pavement. The ramp closures are expected Thursday, Nov. 15 from 10 a.m. through 2 p.m. Motorists should follow the posted detour via westbound I-69 to Bristol Road.
