Perry Rd. pathway project continues

Atlas Twp., Michigan. ---

Construction on a non-motorized pathway along Perry Rd. (between Mancour Dr. and the Grand Blanc East Middle School) will resume on Tuesday, May 5. There will be a shoulder closure with flaggers controlling traffic. Please note that work will not begin in front of the middle school until school is released for the summer. The work is expected to go through September. Motorists should allow additional time to reach their destination. Please contact Eric Bessolo with Zito Construction at 810-695-9025 if you have questions.

--- ### ---

Please slow down in work zones, for your family and ours.
