Kings Pointe Hills Subdivision project begins

Grand Blanc Twp., Michigan. ---

The Genesee County Road Commission will begin its Kings Pointe Hills Subdivision project on Monday, October 9. The contractor will be completing the storm sewer and sump lead installation this fall and resuming construction in the spring. Residents will be able to access their homes during construction. There may be temporary delays. Residents are asked to please move vehicles parked in the roadway. Sprinkler systems should not be operated during construction, as excess water will hinder the progress of road repairs. If you have questions, please contact Gerrad Godley, Construction Manager, at 810-767-4920 ext. 236.
