Watermain Extension Project continues

Fenton Twp., Michigan. ---

The **Genesee County Drain Commission** will continue work on its Southern Lakes Watermain Extension (Phase III) on Monday, January 22.

Beginning Monday, parts of Ripley Rd., Rolston Rd., and Lahring Rd. will be under a flagging operation. Two-way traffic will be maintained. The roads are expected to reopen to normal traffic in the spring, weather-permitting.

If you have questions, please contact Mike Fritche with Superior Excavating at 248-866-6109.

--- ### ---

Please slow down in work zones, for your family and ours.
