Tree Removals for Hill Road Construction Project will detour traffic

Flint, Michigan. ---

The Genesee County Road Commission has contracted with CHOP to remove trees in the right-of-way on Hill Road between Saginaw Road and Center Road in Grand Blanc Township starting Monday, March 9, 2020 through approximately Wednesday, March 18, 2020. The road will be fully closed to all thru traffic between the hours of 9:00am and 4:00pm throughout the duration of the tree removal operations. Motorists will need to seek an alternate route.

Possible Saturday hours would be 8:00am to 6:00pm, but the Contractor believes this will not be necessary to complete the work.

Please contact Construction Department Manager, Gerrad Godley, P.E., at (810) 767-4920 if you have questions.

Please slow down in work zones, for your family and ours.
